Marcia, e-mailed this to Bonnie with the intention of getting approval today to send out. I will fax to BBR, but do you want to give the go-ahead?

Attached is a sample letter that we will mail to the customers who received incorrect titles due to the CACI error. We have created a database and are ready to send the letters upon your approval. We would like to send the letters today, as we have already had a few calls from the customers who have received these titles. Thanks for your attention.
