Rep. Hicks,

Hope you are well. Below are quotes from Governor Haley regarding Planned Parenthood.

"Over the past weeks, I have been shocked by recent accounts of unethical practices at clinics affiliated with Planned Parenthood, particularly those regarding the sale of human fetal tissue."

In a letter to S.C. Department of Health and Environmental Control director Catherine Heigel, Haley asks the agency to "engage in a prompt and comprehensive investigation of the policies and practices of abortion clinics in our state, prioritizing those affiliated with or owned by Planned Parenthood, its subsidiaries, and its affiliates."

"These practices are not consistent with the laws or character of our state, and I believe this should make us pause and review Planned Parenthood's operations in South Carolina."

Please let us know if you need anything! I look forward to hearing from you with any questions or feedback. Hope you have a great weekend!

Thank you,

Haley
