Dear Mr. Morgan,

Michael and I would like to send our congratulations on your retirement after a 61-year tenure as Adult Sunday School Teacher at Red Oak Grove Baptist Church. You have made a tremendous impact on your students, the congregation, and the community, sharing your faith and leading others to a greater understanding of Christianity. You have been a wonderful mentor for the Red Oak Grove Baptist family, and your contributions will certainly leave a lasting impression on the Church.

Michael and I wish you the best in all your future endeavors. God bless.

My very best,
