Dear Governor Haley,

SUPPORT H.R. 1365 Please oppose all anti gun legislation.  
I want my baby who is due to be born this summer to grow up in a America where she can enjoy the same gun rights I enjoyed as a kid.  
Thank you all for the stands you do take.. And please always remember that you all are civil servants to the state of South Carolina. As such please perform the will of the People of this state who voted you in. Please don't cheat the next generation out of its future by allowing out rights to disappear.

Sincerely,  
Joe McLaughlin
