---

Dear Mr Tony Kester,

SMI Group are thrilled to announce that registration is now live to attend the 5th annual [Pharmaceutical Freeze Drying](#) conference returning to London next May.

### ABOUT THE CONFERENCE:

With the need for drug homogeneity and improved formulation methods, robust capabilities in lyophilisation and freeze drying methods have become critical for process efficiency and commercial success whilst maintaining product quality and biological stability.

Innovation and efficiency is requested at every level making **Pharmaceutical Freeze Drying Technology** the perfect platform to strengthen knowledge in key principles such as **PAT** and **QbD**, whilst staying at the forefront of **technological breakthroughs** to adapt to growing manufacturing demands.

Aimed at an audience of Senior Scientists and Heads of Pharmaceutical Engineering, Pharmaceutical Freeze Drying 2017 will provide a perfect platform to discuss the latest advancements in **pharmaceutical lyophilisation**, welcoming regulatory guidance from the **NIBSC-MHRA** and expertise from the likes of **Sanofi**, **Boehringer Ingelheim**, **Roche** and **Novo Nordisk**.
