Would 1 or 4 work on Thursday? Marcia's out at the podium right now, so I don't know if that would work for her, but she should be back here in a couple minutes.

Christian, I have committed to speak at the Public Records Association Conference at Myrtle Beach on that day. Would Thursday afternoon be a possibility? Thanks, Jimmy

Jimmy,

Are you open at 1 next Wednesday for us to meet in Marcia's office? After we talked this morning, I thought maybe the three of us should just get together for a while to talk through various open items (IT security, email, etc.).

I just came out of a budget meeting, and Marcia's here in my office, waiting for the CSID press conference to start...she said she's open then, if that works for you. Thanks.
