Subject: Hello from Heather Gale at the Horry Independent newspaper in Conway, SC

Hello sir,

This is Heather Gale from the Horry Independent in Conway. I am doing a story on the recent signing of a bill by Gov. Haley helping Coastal Carolina University get a PhD program in Marine Science. I was hoping to get a quote from her on why she signed it and why it could be good for the university and the state.

My deadline is tomorrow (Tuesday the 12th) at noon.

Thank you!!!
