He said. They will work on us being the first delivery that day.

I told him we would be willing to go travel to their location to pick items up if needed.

Hi Katherine,

The signs have been delivered as of around 4pm today.

I am working on getting the information for the jackets and lanyards. I contacted our UPS rep so he can figure out what he can do to get them delivered by Wednesday instead of Thursday. I have no idea why the delivery date was adjusted. There should have been plenty of time for them to be delivered without any delays.

Here are the correct tracking numbers:  
1Z27679V0340259491

1Z27679V0341886105

1Z27679V0342642125  
1Z27679V0341483531

I am thinking that I just typed the ones in wrong that I sent to you.

Below are the tracking numbers I received from Haley this morning.  
Please confirm they are accurate.

The first two tracking numbers UPS is saying they are not valid.  
I thought everything but the signs were going to be delivered on  
Monday to Wexford? They have not been delivered.

Please advise.  
Thank you,  
Katherine
