Subject: Sadie will be home for Thanksgiving

Dear ToNew York,

I'm writing to you because I know you share my commitment that all seniors, regardless of their financial situation, should be able to age in dignity, independently, at home, where they most want to be. As someone who has attended our webinars, downloaded our reports, or received training from a Justice in Aging attorney, I know you already do a lot on behalf of vulnerable older adults. Now, I'm asking you to further our partnership by [becoming a Justice in Aging donor](#) with a gift of **\$10, \$25, or \$50**.

Sadie, whose story you'll learn more about in the video below, almost didn't get to spend Thanksgiving at home with her family. Watch the video below to learn how she got back home. And then [make a donation to Justice in Aging](#) to ensure we can produce more resources for advocates like you to help seniors like Sadie.

I believe so strongly in the work that we do, that I, along with other Justice in Aging staff, have contributed \$5,000 to match your gift dollar-for-dollar up to our goal of \$5,000, so your gift will count for twice as much.

Make your donation a monthly donation, and we'll send you a FREE Justice in Aging canvas tote bag.

In the lead-up to Giving Tuesday on December 2, you'll be hearing from other attorneys here at Justice in Aging with stories about why they give.

Thank you for all you do,
Eric Carlson, Directing Attorney, Justice in Aging
