Hello! i was looking to confirm park hours for Kings Mountain tomorrow... the website says "TRAVEL ADVISORY park hours 7am to 7pm" and the May14th Park hours pdf linked says "9am-6pm" so i am not sure which is correct. I tried calling the given phone number but it was busy when i called. Thanks for your help.

That link has been removed. You may need to refresh your website. The correct hours are in the red box on the park site. If nothing is listed there, then the park is back to its normal operating hours.
