YAY SCOUTS! Here's another Cub Scout group -- Pack 90 -- from Orangeburg, SC. These boys built the last four tables for Edisto Beach State Park. Thanks so much for all of our help with this fantastic project!

**Jimmy Thompson** Need a correction here, Pack 90 built the last 4 tables for Edisto Beach State Park. Thanks to all the scouts across the state and to Cox Industries for the 600 table kits. It was a great project.
