Hey... I wanted to remind you that this group will be in today starting at 11 am. Can you have the Lt Gov here by 10:30 am to speak to all three groups on the North Steps before he goes into Session?

Good morning. I now serve as chief of staff to the Lieutenant Governor, so there is a 100% chance that you'll get to see him. I'll check with the governor's office and let you know. I will put you in contact via this email with Lily Cogdill in our office who makes all things work properly. She'll make sure the schedule is set.

Hi Danny...

Checking in on our upcoming visit for May 2! We are set to have tours at 11 and 11:30. Is there any opportunity for us to have the governor or lieutenant governor talk to us during our visit? :)
