Subject: Planned Parenthood ~ Website email from Shirley Wooten

---

Lt. Governor Bryant, For the life of me, I cannot understand how we as a nation, support Planned Parenthood! This is a civilized country and to read or listen to these conversations with PP employees sickens me! And it shames me that MY tax dollars goes to such an organization. PLease put a stop to this!! Thank you for listening to my rant. God help us all! Shirley Wooten
