Ashley,

I overnighted the documents today to you. Attached is a copy of the letter with the details for the Opportunity to be Heard and the Procedures. Also, there are two tabs referencing a taped meeting that the news stations linked/shared. I put a copy on a flash drive in your packet in case you would like to listen to the meeting.

Let me know when would be best to review the documents. We can chat by phone or in person. I can talk tomorrow, Monday (I am tied up 10-11; 1-2:30); Tuesday (tied up 10:30-11).

Last, if you want an electronic copy of the documents please let me know and I will email the documents for your file. I can send them in four sets, and the tabs are included.
