Nancy Jacob Caesar's Head today by 11:45 am. Parking lot closed, was told to join the queue of a hundred cars driving up and down the road til a spot opens up. If you were lucky enough to drive by when someone left you were waved in. 30 minutes of that nonsense and we drove down the road to Jone's Gap. Stopped at the gate. Do we have a reservation? To hike? Nope, I didn't read the covid alert on website. They only opened 38, yes, that's right, 38 parking spaces for a 14,000 acre park. AND the spaces had to be reserved AND a \$5 fee was charged. We are not happy hikers today, SC State Parks.
