Subject: Fwd: Nigel Farage on the EU and Brexit prior to the UK vote - not enjoyable for Merkel or Hollande

A friend set this and I thought it might be of interest to you as it was to me.

**For those that follow the
disaster that is now
Europe.....**

Only 3mins 39secs

**Now this is a 'must see' clip.
Wonderful to hear someone getting up
on their hind legs and saying it just as
it is, no bull, just straight from
the heart!!!!**

**Merkel's face is something
to behold!**

**It is interesting that this superb
presentation by Nigel Farage
at the European Parliament in
Brussels wasn't reported in the French
or German media, and it's wonderful
to see the shots of Merkel's and
Hollande's faces as they listened to it!**

**This is really a compelling watching
(it's in English with French subtitles,
and quite brief).**
