Sam,

I am OK meeting or having a phone conversation. How about sometime Wednesday or Thursday?

Thanks.

Tony

Tony,

I hope this email finds you doing well. I wanted to check back with you. I am trying to make my way back to respite talk after getting some things off my plate from last week. I know you have 1,001 things going on at one time as well.

At your convenience let me know what our next step is regarding having a conversation about the "terms" (for a lack of better word). Cindy and I are good with meeting in person if you prefer or if you want to set up a time to have a phone conversation that is good with us too. What ever is best is what we want to do.

Let me know what you are thinking and we will be happy to move on that.

Talk to you soon.

Sam
