Yellow highlights means we are in favor of that section of the side-by-side. I have on blue highlight reflecting our position on the definition of “contractual and financial relationship.” I have discussed this with Sen. Campsen and he plans to discuss in conference that this definition needs to be narrowed and fixed next year. Also, Herb Hayden has agreed to issue an advisory opinion to limit loophole issues.

Finally, the League of Women Voters is good with our new definition of ‘contractual and financial relationship’ and will let Campsen know that.
