**Subject:** Exam Response

Mr. Ekman:

This email is in response to your email to me concerning approval to sit for the CPA exam. As you know, the Board received your application package on February 22, 2016. I reviewed the documents, and then you and I talked on February 25, 2016. At that time, I explained to you that all required documents were in order, but that I had questions relating to the transcript from Colorado State University – Global Campus.

As I further explained, this is the first time the Board has received a transcript from Colorado State University – Global Campus. The school is regionally accredited, however, it is allowing credits by non-traditional methods. For this reason, your request to sit for the exam cannot be approved at staff level. The Board will have to review the information and ultimately make a decision.

The next Board meeting is April 28, 2016. I will add the school information to the Board agenda for review. Board meetings are open to the public, and you are welcome to attend.

I certainly understand that you want to sit for the exam as quickly as possible, however, the issue cannot be discussed until the next Board meeting. Thanks, Doris
