

# Gonzales Gardens to Be Dedicated

*The State* 9/11/41

The Housing Authority of Columbia announced yesterday that dedication exercises would be held at Gonzales Gardens the afternoon of September 26 at which time a tablet would be unveiled to the memory of the three Gonzales brothers — Ambrose E., N. G. and William E.— for whom the low rent housing project is named.

W. S. Hendley, chairman of the authority, said that the exercises would last about 30 minutes after which the public will be invited to inspect the project.

The tablet is to be unveiled by Miss H. R. E. Gonzales of Osborn, sister of the three distinguished brothers.
