[ Excerpts, emphasis added ]

Sen. Lindsey Graham (R-S.C.) is readying an authorization of military force against the Islamic State that would allow the United States to attack the militant group's allies **anywhere, and with no timetables.**

"ISIL is a more credible threat to our homeland than al-Qaeda," Graham said in an interview, referring to the Islamic State by one of its other names. "We need to have an authorization of force that is **not limited by geography, time, or means.**"

The resolution, which Graham plans to officially introduce after the

Thanksgiving recess, is being shaped and shopped around to senators on Wednesday. **"No geographic limits** are placed on American military or intelligence services in the fight against ISIL," reads the outline of the in-process legislation. **"No expiration date. No prohibition on sending American forces on the ground** to combat ISIL. **No prohibitions** on the ability of the United States **to disrupt** online terrorist recruitment activities, online terrorist propaganda, or terrorist **communications."**

**Why is it that outspoken ' Gang of Eight**  
<<http://www.azcentral.com/news/politics/free/20130418senator-s-unveil-immigration-bill.html>>' **Pro-Amnesty for Illegal Aliens**  
**Senator Lindsey Graham is**  
**also an outspoken war-monger advocating unlimited war**  
**escalation against [ US/CIA-created ] ISIS ?**

[The short, simple answer, for those who can "handle the truth", is  
Graham is a tool of the NWO Establishment elites  
who wish to diminish the United States of America, break the spirit of  
Americans, and force us to accept a merger  
into a one-world government socialistic superstate, which by definition  
would mean the supersession of our US Constitution,  
and therefore removal of its sovereign protection of our God-given  
unalienable rights regarding life, liberty, and property. ]

**Does his GW Bush-like fear-mongering mantra of "we have to  
fight 'em over there so we don't have to  
fight 'em here" even pass the common-sense test in light of  
his advocacy and actual vote**  
<[http://www.senate.gov/legislative/LIS/roll\\_call\\_lists/roll\\_call\\_vote\\_cfm.cfm?congress=113&session=1&vote=00168](http://www.senate.gov/legislative/LIS/roll_call_lists/roll_call_vote_cfm.cfm?congress=113&session=1&vote=00168)> **to pass  
the  
sovereignty-eroding, national security endangering, Amnesty-**

first-Border-Security-never bill ( S.744  
<<https://www.congress.gov/bill/113th-congress/senate-bill/744>>),  
on June 27, 2013  
<[http://www.senate.gov/legislative/LIS/roll\\_call\\_lists/roll\\_call\\_vote\\_cfm.cfm?congress=113&session=1&vote=00168](http://www.senate.gov/legislative/LIS/roll_call_lists/roll_call_vote_cfm.cfm?congress=113&session=1&vote=00168)> which  
furthers the Globalist's efforts to erase our America's national  
borders !?

Does it make any sense to advocate **Amnesty for Illegal Aliens**,  
while beating the war drums for  
increased US presence in the Mid-East to fight the terrorists  
over there, while we have seriously  
compromised the security of our Southern Border over here !?  
Not for a truly patriotic American.

However it does make sense if one is more loyal to the **One-Worlder** cabal, seeking to erode the  
national sovereignty, borders, and security of the United  
States of America, while simultaneously  
trying to push us into the **World War 3** which the **NWO Elites**  
have planned. May their treasonous  
agenda be thwarted !

This is the **"Order"** which the **New World Order Elites** wish to  
bring about through the exigency  
of the **"Chaos"** which their many branches, fronts, proxies,  
and servants create: the socialistic,  
marxist, fascist, communist, authoritarian, totalitarian, anti-  
Christ tyranny of **One-World Government**  
( a modern Tower of Babel ).

The war-making Islamic terrorist army called **I.S.I.S.** - the **Islamic State of Iraq and Syria**, is driving the nations toward World War 3  
<<http://www.threeworldwars.com/albert-pike2.htm>>. *This is by design of the NWO* <<http://atruthsoldier.com/2013/03/20/new-world-order-organizational-chart-hi-res/new-world-order-organizational-chart-large/>> **Elites** <<http://atruthsoldier.com/2013/03/20/new-world-order-organizational-chart-hi-res/illuminatti-chart/>> ( [YouTube](https://www.youtube.com/watch?v=BleMGnxudRI) <<https://www.youtube.com/watch?v=BleMGnxudRI>> ).

" Ordo Ab Chao

<<http://www.threeworldwars.com/new-world-order.htm>> - Order Out of Chaos <<http://www.masonicdictionary.com/ordoabchao.html>>.

( **The New World** ) [Order Out of](#) (pre-planned, orchestrated, contrived, or opportunistic) [Chaos](#)

( **e.g., 9-11, al-Qaeda, "Arab Spring", ISIS, etc.** )

The NWO Elite's intended **PURPOSE** for **ISIS** is to launch **World War 3**, by doing just exactly what Globalist traitor Lindsey Graham is trying to do, escalate United States military presence in the Mideast region, particularly in Syria, which exponentially raises the risks of conflict with Russia. Out of the **"Chaos"** of a **WW3**, the NWO Elites hope to pressure the nations to accept their ( **New World** ) **"Order"** . Just look what happened after **WW1 ( League of Nations )** and **WW2 ( United Nations )**.

Apparently Globalist <<http://christianlifeandliberty.net/2009-02-22-Lindsey-Graham-Mark-Sanford-attend-WEF-Davos-Switzerland.doc>> Lindsey Graham is well-versed in the NWO Elites' strategy of bringing about societal, national, and regional/international/global transformative "change" via a variety of means, including massive immigration/migration invasion ( as we have experienced in the United States across our Southern Border from largely Roman Catholic countries of Mexico <<http://www.pewresearch.org/fact-tank/2015/11/19/5-facts-about-illegal-immigration-in-the-u-s/>> and Central America <<http://immigration.procon.org/view.resource.php?resourceID=000845#countries>>; and as Europe has experienced by the invasion of Muslims from Mideast and African countries ).

Just look back to April 18, 2013 when the ' Gang of Eight <<http://www.azcentral.com/news/politics/free/20130418senator-s-unveil-immigration-bill.html>>' US Senators launched the Amnesty Bill.

**"Hidden in Plain View"** is Lindsey Graham's use of the phrase **"order out of chaos"** in his advocacy of this traitorous legislation at the ' Gang of Eight <<http://www.azcentral.com/news/politics/free/20130418senator-s-unveil-immigration-bill.html>>' news conference on Capitol Hill:
