You may put an RV or tent on any standard site. As far as the number of tents, please contact the park at 843-838-2011.

Hi, I recently booked a site at Hunting Island...its a standard site (#90), but I'm confused as to whether it's strictly an RV site or if you can put a tent (possibly 2) there. Wasn't sure who I needed to contact. Thanks!
