**Subject:** [Infographic]: The New State Landscapes and 5 Key Issues to Track

---

Dear Katherine,

Republicans picked up between 300 and 350 state legislative seats in the 2014 midterm elections, giving them control of about **4,100 of the nation's 7,383 seats**, according to the National Conference of State Legislatures.

What does this mean for the states -- and for the issues they are likely to consider in 2015?

**Find out in our post on CQ Connectivity**, where we break down the hot topics in state government. We've also put together **3 share-worthy graphics** showing the new landscape in the aftermath of the election.

Sincerely,

Glen Justice
