Just want you to know that today (3 weeks ahead of our June 30 deadline) we achieved and are now exceeding our Wildly Important Goal ("WIG") in Economic Services -- we've more than doubled the number of welfare recipients who got jobs and got off welfare -- 10,129 of them so far and going strong (our WIG was getting 10,120 jobs and off welfare from 10/01/11-06/30/12 compared to only 5,060 in 2010). I'll have a press release draft for you tomorrow. Lillian Sent via BlackBerry by AT&T
