Hi Andre,

Can you do me a favor and share this with the Governor and Secretary Hitt (I don't think I have their e-mails)? I tried to explain, without success, where the start of the Palmetto200 relay race way in Columbia on Thursday morning - it started at the Historic Columbia Speedway which is located at 2001 Charleston Hwy in Cayce, SC.

Just for kicks, please share the photos of our Continental Team (one is at the start of leg 7 near St. Matthews and the other at the finish at James Island Park), most of which are located in Fort Mill.

Thanks!

Tim
