

Office of the Governor  
1205 Pendleton Street  
Columbia, SC 29201

February 27, 2011

**SUBJECT: Freedom of Information Act (FOIA) Request**

**REFERENCE: South Carolina Traffic Camera Commission**

In accordance with the FOIA, I hereby request the following information in regards to referenced commission:

All correspondence on file including memos, notes, emails, meeting agendas, meeting minutes, or other documents, etc. This was a short lived commission so there should only be minimal documents on file. I am "not" interested in how the commission was formed or the appointments to the commission. I am "only" concerned with documents related to discussions and meetings involving all or some of the commission members as related to the commission's purpose.

Just for information I did speak to Mr. Glenn McCall, the commission chairman, in regards to my request. He stated that all documents were on file at the Governor's office so that is why my request is so addressed.

Please respond to the undersigned. Also, please advise if there is any fee in regards to my request and I will immediately remit such fee. I will look forward to your response and thank you for your time.
