Subject: Budget Question for FY 2013-14

---

Jimmy,

Could you take a look at pages 5-8 of this sometime in the next day or so, and then we can talk through it briefly?

It's the Treasurer's FY 2013-14 budget request. I wanted to briefly compare notes with you about the proposed scope and approach for his debt/investment systems proposal, the anticipated costs, etc. I'm trying to get a sense of how this fits in to the overall SCEIS universe, and in looking back through my notes, I remember thinking they said they'd talked with DSIT in preparing it. Thanks.
