Subject: Email Spoofing Incident

For information purposes, in case anyone addresses you directly about this. The State Treasurer's Office let us know they were receiving emails from LTGovernor@scstatehouse.gov signed as Kevin Bryant request payment that were obvious phishing attempts. I have contacted LSA about the issue. I just wanted to make sure you all were informed that this occurred because it may be possible that they will attempt to phish others as "Kevin Bryant". As you know the LtGovernor@scstatehouse.gov was used by Governor McMaster and their office had it for a period after the transition. Our office uses and has always used LtGov@scstatehouse.gov. Please let me know if you receive any reports so I can keep LSA updated.
