South Carolina State Parks

at 18:20:02 on 5/26/2010 UTC · 🌐

C'mon park fans! We thought we'd get more participation than this! Other states are taking it to us -- we can't let that happen! Take a moment and vote for SC State Parks. Every vote gives us \$1 to go towards planting trees. It costs you nothing and only takes a few minutes of your time. Thank you!
