**Subject:** DSS Audits

---

Good afternoon,

William Bray indicated that all counties are either in-compliance or there is a report in draft form where the audit has been completed, but the report has not been published or transmitted yet. We have copies of every county's most recently completed audit.

There are 42 counties with timely, published, evaluations. Two counties – Jasper and Chester – are due for evaluations this month. There are four counties – Dorchester, Lee, Fairfield, and Kershaw – that are past-due for evaluations, but DSS indicates that data collection is complete and the report is in draft form. The department will be sending the drafts over, not for release but for verification.

Thank you,

Josh
