Rep. Todd Rutherford on CNN said that "Fox News...." was responsible for the tragedy that resulted in 9 people being killed. His comments were ignorant, stupid and totally out of place. Instead of bring people together, he chose to be devise. I was shocked that he would talk like this at a time when South Carolina and entire United States is heart broken and grieving at the loss of innocent people as the result of someone who obviously has mental problems.

Next time, I hope Rep. Rutherford will think before he opens his mouth.

My thoughts and prayers are with the people of South Carolina at this time of great loss. Donna Vogel
