Last week we introduced the new value-added Park Passport Plus! Has anyone purchased a Park Passport Plus yet? Does anyone plan to purchase one in the near future? Tell us!

**Lisa Freeman** I missed the post last week and cannot find information on where to purchase it. All I can find is the regular passport.

**South Carolina State Parks** To answer some of your questions: The pass is valid for all parks. If you just purchased a regular passport, you can upgrade it to a PLUS for the additional cost of \$49.
