September 29, 2014

Mr. and Mrs. Thomas Vande Burgt  
1001 Broad River Drive  
Beaufort, South Carolina 29906

# 5031853

Dear Mr. and Mrs. Vande Burgt:

It is my understanding that you had a productive meeting with some of our District Six staff on Monday, September 22, 2014, concerning the ditch on the right of way in front of your property.

I am pleased to learn that you have agreed to pipe this ditch in cooperation with our local maintenance office. This should help address your aesthetic concerns while allowing the Department to insure drainage is maintained throughout your neighborhood. Maurice Allen in our Beaufort Maintenance office will be providing technical assistance to you concerning the materials you will need to purchase for this project. Maurice and Antonio Shuler will assist you in obtaining an encroachment permit as well as scheduling our participation.

We look forward to working with you, and coordinating the work to insure the finished result will be what you expect and can be proud of. Please feel free to contact our staff at the Beaufort Office, 843-524-7255 or Michael Black at the District Office, 843-746-6715 with any questions you may have.

Sincerely,

Christy A Hall, P. E.  
Deputy Secretary for Engineering
