Subject: Schedule update for tomorrow - please don't kill me

---

When we leave Shaw, we will head to the Sumter County Sheriff's Department (1281 N Main St, Sumter, SC 29153) for a 5 min meeting. Yes, I realize this is in the opposite direction of Columbia BUT we're gonna make it work. I will try to get us out of Shaw by 1:30 and to the Sheriff's department a few minutes before 2 so we can be on the road again by 2:10. The Fire Academy is aware of the schedule changes and they have been awesome so no worries there. Fingers crossed for tomorrow everyone!

Thanks!
