Subject: SCSU

---

Hi, I trust that you're counting the days, but I want to see if you'd still have some time next to talk to me about SCSU. I have a orientation retreat there on Monday and Tuesday, and I'd love to come by on Wed and get some of your insight on the situation. Is there a time on Wednesday that might work? Just let me know, and I'll bring coffee. Thanks a lot
