Phleisha,

Here is the email Fred sent to me. I was under the impression AAMVA was picking up our rooms. Do you want me to clarify this Fred?

Thanks,  
Lindsey

Hi Lindsey,

Region II will cover room and tax for Thursday for the primary host staff who need to be there early on Friday to meet with the hotel or start making airport pick-ups. Everyone else is supposed to arrive on Friday. The contract is only for three rooms on Thursday Night. I'm sure they will let us have two or three more if we need them, but basically it should be Marcia, you, Wanda, Irene, me, and maybe Darius & Greg or whomever will be handling shuttling people from the two airports. Everyone else should be able to come in on Friday Morning.

Let me know if that will pose problems for any of your staff.

Thanks!  
FP

Fred,

I am reading over the invitation one last time to double check everything, It says:

"AAMVA Region II will pay for your room [and taxes](#) for the nights of January 10-12."

Does AAMVA pay for Thursday night as well?

Thanks,
