Hi. You would need to contact Park Manager, John Moon. His email address is jmoon@scprt.com or the park phone number is 864-585-1283. Sorry I am just responding to this. It did not show up as an unread message in our account.

Hi there! I was hoping to see if we can do a live shot Wednesday morning about National Trails Day from Croft State Park, is there anyone I could contact to set that up?
