This man should be in jail for life. Already killed a man, brutally attacking this woman (admitting to wanting to kill her), and threatening the life of an officer. He is obviously beyond rehabilitation!

This is a disgrace. There are 20 witnesses to his attempt at murder! This man also knew what he was doing as a trained ex Marine. How is her life not worth more? This is something South Carolina should be ashamed of!

I hate seeing our beautiful state benign tarnished by lax laws and domestic Violence. Just this week Niki Haley said she takes this personally....well, here's a start to showing it.

No woman should be a victim of this and the man gets a slap on the wrist.

CDV is a real problem here in SC and the laws are not strong enough. Most of the time these offenders get out with in days and that's all that happens to them.
