

MARGARET C. POPE

November 23

Dear Norman Haley,

On behalf of all of the members of The
Crescent Society, I want to thank you for
attending our November meeting. Our group was
established to encourage professional women to
work toward and reach new heights. As you can
see, your remarks were most relevant - we all have our
own hair; if only we could comb through them like
you have! Please let me know if I ever may be of
assistance to you.

Warm regards.
Margaret
