Subject: SNAP ABAWD Waiver

I was previously told DSS was not able to apply for another 3 month extension under their current state plan, but instead would have to apply for a waiver lasting the remainder of the federal fiscal year. Barbara called to inform me that they are able to ask for another short term extension. Therefore, as a fallback, we have this at our availability. I still want to wait and get a read out from the DSS/DEW plan-writing sessions at the end of this week before we finalize any recommendation, but I wanted to make y'all aware of this fact.
