Subject: Feedback on SPV for CMS Letter

Hello All,

I requested feedback from NFP on the use of the SPV as a Medicaid Clearinghouse. They would like to talk about this on Monday's call (it seems that they presented the Clearinghouse model without too much thought and now that they are considering all of the implications, they want to think through alternative models before committing to using a SPV Clearinghouse).

They've also requested that we share a copy of the letter to CMS with them and provide the opportunity for them to offer feedback. I told them I'd find out if the state thinks it would be appropriate to share our draft letter with them (or a redacted version). I think this is a state issue so I was inclined to say no but wanted to check. Please let me know your thoughts.

Thanks!

-Erica
