Christian,
My original email to you rejected, as I entered the wrong email address -- my apologies. Thank you.

All –
Attached is the S.521 Senate Education Committee amendment as approved by the Committee this morning. I believe it conforms to what the Committee agreed to, as per your respective requests to amend, and would appreciate your taking a quick look to verify.

Thank you for your input, and for your presence and assistance in this morning's meeting. Please let me know if you have any questions.

Sally Cauthen
