Subject: Pipeline issues?

Hi, it's Charles with WIS News.

As you can imagine, we're following concerns about gasoline supplies because of the ongoing pipeline situation.

We did receive your statement on the issue on Friday.

What does... can... the state do today?

Will there be someone from the governor's office, or the governor, available to speak on the issue today??

I'm at 803 608-5736.

Hope to talk soon.

Thanks
