## South Carolina State Parks

at 0:32:54 on 2/04/2021 UTC

On February 2-3, 1865, Sherman's troops encountered one of the Confederacy's last stands as they swept across the South. Each year on these same dates, we remember those over 160 men who were killed, wounded, captured or missing from both the North and the South. Watch the illumination ceremony, as we bring it to you in video.
