Dear Katherine,

Could you bring my communication to Governor's attention.  
Do indicate if there's any possibility of her making it, then I can look into any other possibilities where we can involve her.  
We would be doing PM's dinner with cream of High tech people ( 26<sup>th</sup>) and a lunch with Environment / Renewable energy experts led by Stanford University ( 27 th) .

Warm regards,  
Taranjit

Dear Governor Haley,

I hope this communications finds you in best of spirits!

I am writing to request you to join an event hosted by the Indian American community for Hon'ble Prime Minister of India, Narendra Modi at SAP Centre in San Jose on Sunday, September 27, 2015 from 6 pm-8 pm. Your office may have received a formal invitation from the Indian American Community of West Coast ([pmmodiinca.org](http://pmmodiinca.org)), the organizers of the event. The event will offer the Indian American community ( Approx. 20,000) a chance to appropriately recognize you just before the Prime Minister's address, like last year. An exclusive meeting for the participating Governors/ Members of Congress with the Prime Minister at the same venue will also be arranged. This will be a good opportunity renew and update your earlier discussions with Prime Minister Modi. The entire program is likely to be over by 8 pm.

Given your close engagement with India and India-U.S. relations, we look forward to your participation at this event. My staff will be in touch with your office regarding the event and the meeting.

Warm Regards,  
Taranjit
