Subject: Fwd: NPR seeking Gov. Nikki Haley for profile

Did you catch up with this guy? Or am I thinking of a different NPR person who wants to profile the governor? What's the timeframe on that?

Dean - Chaney Adams will be in touch with you over the next day or so.

Additionally, please update your records to reflect that Doug and Jeff are no longer with our office - and that Chaney Adams is the governor's press secretary.

Thanks for reaching out.

Rob -- I'm a producer with NPR's midday Here & Now. We would like to check on Gov. Haley's availability for a profile piece on her.

We would not be asking her about the news of the day or the presidential candidates.

Instead, we would like to speak to her about her life, upbringing and how she got into politics.

Here & Now is NPR's midday show, airing nationally to 425 stations. Please let me know if we can set this up.

Thanks,
Dean
