Thanks David. I know that the demands on your time are heavy, but we would be honored if you could attend. The purpose of the Summit is to consider strategic responses to current challenges and explore opportunities to further religious freedom in the courts. Although the guest list is confidential, you will no doubt be among friends. ADF will cover the cost of lodging, registration, most meals, and provide a stipend that covers the bulk of the travel expenses for the participant.

Also, your wife (and family) are more than welcome to come as well. The agenda is still being finalized, but I have been assured that some time to enjoy the resort and the locale will be built into the schedule. J

I've copied Johanna Seiter, our Operations Manager, who would be happy to answer any logistical questions, etc. you might have.

Best,
Kellie
