Subject: Welcome to BBM

How to [get started](#) on BBM.

View [online](#)

Let's get the conversation started. Learn the basics of BBM™ so you can start chatting, sharing and connecting with friends. Have other questions? Check out our FAQ.

Add new BBM contacts

1. Tap 
2. Follow the directions on the screen to invite your friends to BBM. Invitations can be sent by PIN, Email or SMS (phone number).
3. If they don't already have BBM, they can download it from your invitation.

[> Learn More](#)

Update your BBM status

1. Tap on your status at the top of the BBM screen.
2. Update your display name and add a personalized message.
