RE: Life Long Resident, State of South Carolina
Willie Lee Fyall of Port Royal, South Carolina
DOB: May 6, 1930
Birthday: May 6, 2015 turning 85 years old

Dear Governor Haley:

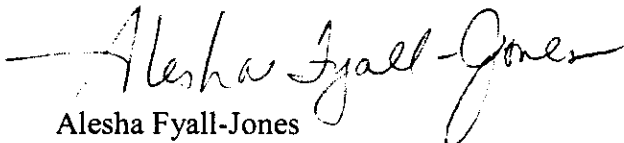

This letter is written to recognize an outstanding citizen of the State of South Carolina, my mother, Willie Lee Fyall of Port Royal, South Carolina. She has been a life long resident of the state and has never resided anywhere else. She gave birth to seven children, most of whom still resident in South Carolina, and one son, Vernon Robert Fyall who gave his life for this country in the Vietnam War in 1968.

In the month of May, 2015, my siblings and I will gather in Port Royal to have a surprise 85th birthday party for her. We are asking that your office please send warm greetings to recognize such an outstanding lady in the community. She has been a mother to so many and still continues to be in the community, her family and in her church. What a fanatic leader!

We would be honored with any letter of recognition from your office as we celebrate this wonderful woman on her 85th birthday on May 6.

Thank you for your assistance and cooperation in this matter.

Best regards,

Alesha Fyall-Jones
