

SOUTH CAROLINA CORONER'S ASSOCIATION

March 20, 2015
The Honorable Nikki R. Haley
Governor
1205 Pendleton Street
Columbia, South Carolina 29201

Dear Governor Haley:

First, let me say thank you for your dedication and service to the citizens of South Carolina. It is through such dedication that our state continues to flourish in all areas. Your State of The State address was very much on point. I cannot think of time when I was more proud to be a native South Carolinian than right now.

On Wednesday, June 10, 2015 at 7:00 p.m. the South Carolina Coroner's Association will hold its annual conference and awards banquet at Litchfield Beach and Golf Resort in Pawley's Island. The banquet is part of an intense 4 day training session held each year to keep our coroners highly educated in the field of forensic science, death investigations and on the cutting edge of technology. Most all of the state's 46 coroners along with their deputies, staff members and families will attend the banquet. It would be our honor to have you as our keynote speaker for this event. Should you need accommodations, we will be happy to provide them.

Thank you for considering joining us as our speaker on June 10. I look forward to your reply and may God continue to bless and be with you in your public service.

Sincerely,
